Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

In accordance with the duty of disclosure imposed by 37 C.F.R. § 1.56 to inform the Patent Office of all references coming to the attention of each individual associated with the filing or prosecution of the subject application, which are or may be material to the patentability of any claim of the application, Attorneys for Applicants hereby direct the Examiner's attention to the references A-BL listed on the attached revised form PTO 1449 entitled "List of References Cited by Applicant."

Pursuant to 37 C.F.R. § 1.98(d), submission of copies of the listed references, are not believed to be required since such copies have previously been submitted for application Serial No. 09/012,443 filed January 23, 1998 to which this application claims priority pursuant to 35 U.S.C. § 120.

Consequently, Applicants respectfully decline to use form PTO-1449, since this form identifies all of the references cited therein as "Prior Art." As an alternative, Applicants submit herewith several pages of a "revised form PTO 1449" entitled "List of References Cited" instead of "List of Prior Art Cited."

Pursuant to 37 C.F.R. § 1.97(c), since this Information Disclosure Statement is being filed before the mailing of a final Office Action or a Notice of Allowance, no fee is believed due. If a fee is necessary please charge the required amount to Pennie & Edmonds LLP Deposit Account No. 16-1150. A duplicate of this sheet is enclosed.

Applicants respectfully request that the Examiner review the foregoing references and that the references be made of record in the file history of the application.

Respectfully submitted,
